

Alcohol Management

This policy provides the basis for the responsible use of alcohol by the Buckley Park Cricket Club and is seen as fundamental to the aims of the club.

The club recognises the importance of holding a Liquor Licence, enabling it to generate income and hold social functions. In doing so, BPCCC accept the responsibilities and expectations of the community in adhering to liquor licensing laws and the criteria of the Good Sports program.

To ensure the aims of the club are upheld and that alcohol is managed responsibly by the club and its members, the following requirements will apply when alcohol is served at the club or during a club function.
